

Fully funded workforce development for your staff. Make sure your employees have the skills and knowledge they need for your business to succeed.

As we embark on the road to recovery from COVID-19, does your business need staff training and upskilling?

There are a range of Government funded schemes and training opportunities available to help you make sure that your workforce is trained and qualified. Not only will this help you make your employees work more effectively and efficiently, it will also help you to retain your team. Develop your team and invest in the skills of your workforce by using one of the following programmes.

We at Prospect Training Services, can support your workforce to upskill and gain nationally recognized qualifications to support theirs and your businesses' development.

We offer onsite fully funded* courses such as:

- ▶ **English and/or Maths up to and including Functional Skills Level 2**
- ▶ **ESOL English and Maths**
- ▶ **Essential Digital Skills Qualification of Level 1 to upskill your staff with workforce ICT skills**
- ▶ **Employability support for current staff and any staff at risk of redundancy**

**Specific eligibility criteria applies.*

We can deliver in workshops on your premises to small and large groups of staff to support your needs.

Our programmes are tailored to your needs so please do not hesitate to access this funding to support the future of your workforce.
