“ Over the years Sir Thomas Rich's school has experienced an efficient and highly effective service from Prospect Training with trusted guidance ensuring the pupils benefit from a safe and healthy work experience. *Sir Thomas Rich's School* ”

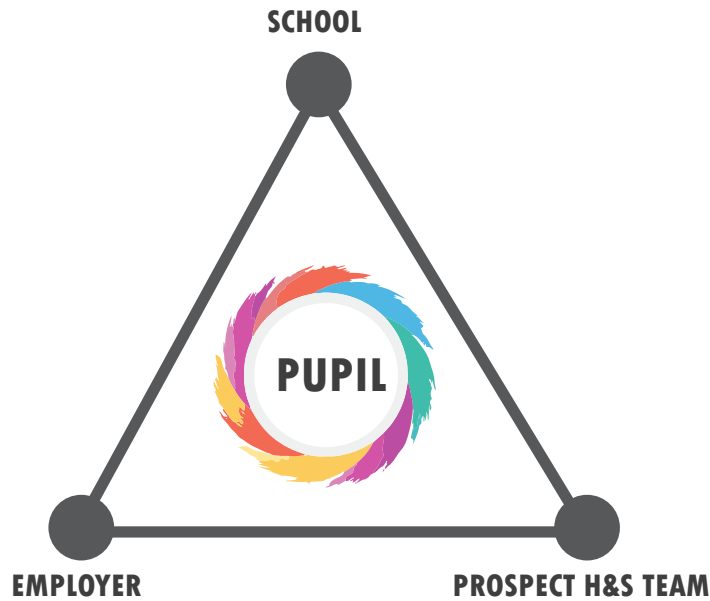

“ Prospect Training issued us with a certificate once the H&S vetting had been completed. This is a great idea that will prevent over-burdensome and repetitive visits from others wishing to use our company for work experience purposes. If their competent H&S officers are happy with the standard of our occupational H&S then we ask others to accept this. *K M Reprographics* ”

“ Prospect Training's thorough but pragmatic and realistic approach to H&S has helped many of our smaller providers to improve their systems and procedures. It has been a pleasure to work with you and I hope that we may have the opportunity to work together in the future. *Adult Education (local council)* ”
