

Study Programmes: Level 2 Diploma in Skills for Health and Social Care

IMPACT

If you are:

- 16-24
- Not in education/employment/training
- Interested in a career in Health and Social Care

Then we have the programme for you!

The Level 2 Diploma develops the vital knowledge needed when working in the social care sector.

You'll enjoy a variety of specially designed tasks and projects to complete within the safety of our fully-equipped centre as well as supervised time spent in the workplace with one of our professional partner organisations.

You'll also have the opportunity to improve your English and maths grades, (undertaking either a Functional Skills qualification or a GCSE) and develop employability skills equipping you with all the skills required to progress into work, an apprenticeship or further education.
