

PTS Cookies Policy

Welcome to **Prospect Training Services** (“we”, “us”, “our”). This Cookie Policy explains how we use cookies and similar technologies on our website <https://www.prospect-training.org.uk/> (“Website”), why we use them, what information they collect, and how you can manage your preferences.

1. What are cookies?

Cookies are small text files placed on your device (computer, tablet, or mobile) when you visit a website. Cookies help websites remember your actions and preferences (such as session, language, or region) and may also be used to collect analytics data or personalise content.

2. Why do we use cookies?

We use cookies and similar technologies for the following purposes:

- **Strictly necessary cookies:** Essential for the basic functionality of the Website (e.g., security, login, navigation). These do not require your consent.
- **Performance and analytics cookies:** Help us understand how visitors use our Website so we can improve it (e.g., page views, navigation paths).
- **Functionality cookies:** Remember your preferences (e.g., language, cookie consent choices).
- **Advertising/marketing cookies:** Track visitor behaviour across websites to show you relevant content or ads (if any third-party services are used).

UK law (PECR and UK GDPR) requires informed consent before placing any non-essential cookies.

3. How we obtain consent

When you first visit our Website, you will see a **cookie banner** asking you to accept or reject non-essential cookies. Only strictly necessary cookies are placed before consent. Your choices are stored (for example via a “cookieConsent” cookie), so you won’t be asked again on your next visit unless you clear your cookies.
